### ***TBLA's Mini Camp***

A Novel concept first introduced to the Tampa Bay area by the TBLA staff, this style of program offers players of all ages and levels of experience the opportunity to learn different lacrosse concepts in a "station" environment. A low Player to Coach ratio ensures that each player receives the individualized instruction while at the same time being exposed to various game situations.

***Registration at the Palm Harbor Community Center or more  
information call 771-6000, [www.phrec.org](http://www.phrec.org)***
